

## **THE GOVERNMENT OF NORFOLK ISLAND**

### **MEDIA RELEASE**

#### **Extension of cheap airfares to Australia**

Norfolk Air has extended the period over which it is offering reduced price “companion” fares from Norfolk Island to Brisbane and Sydney.

These fares are being sold as a two-for-one special with the first ticket below normal price and the second ticket costing only the amount for taxes, levies and charges. This means that return fares including taxes for two to Brisbane average \$333 per person and \$379 per passenger to Sydney, provided that two people are travelling together.

This special is only available for travel commencing from Norfolk Island on or before 18<sup>th</sup> August, with a minimum of two nights’ stay and a maximum of 10 nights. Tickets are subject to availability, so intending passengers are advised to contact their travel agent in Norfolk Island as soon as possible.
